

Quilt pattern in four sizes- a square or an octagonal

Cover Quilt features fabric from Batik Textiles www.batiktextiles.com

Medallion

There are 4 sizes in this pattern- a fun mini size quilt at 12", a small table- topper size at 24", a 48" quilt and a 60" quilt.

****Options:** The quilts can be made as an octagonal or as a square. Get Fabric H only if you want to make the quilt into a square. Fabric H can be a separate fabric or you can repeat a fabric already in the quilt. I used more of Fabric A when I made my quilt into a square.

Borders options: If you want, you can turn the 60" square quilt into a bed size quilt by just adding borders. Add a 4" border, a 2" border and a 6" border and your quilt will be 84" square.

You would need 1 yard of fabric for border #1, $\frac{5}{8}$ yard for border #2, 1 $\frac{3}{4}$ yards for border #3 and $\frac{5}{8}$ - $\frac{3}{4}$ yard for binding. You would need about 6 $\frac{3}{8}$ yards of backing.

Fabric amounts based on fabric 40" wide.

Fabric amounts are rounded up to the next $\frac{1}{8}$ yard.
Get extra if you want to allow for shrinkage or for cutting insurance.

General Instructions:

Read through all directions before beginning. Sew using a $\frac{1}{4}$ " seam; seam allowances are built into the cutting directions. All pieces are sewn with right sides together (RST) unless otherwise specified. Cutting directions are based on fabric 40" long- adjust quantity as needed to fit your fabrics. HST means Half Square Triangle units. Follow the arrows for pressing suggestions.

Directions are for: mini (small) (medium) (large).

Cutting:

Fabric A- Blue Print for Center Square

for HST units with Fabric F.

Cut: 2 squares $4\frac{1}{4}" \times 4\frac{1}{4}"$
($6\frac{7}{8}" \times 6\frac{7}{8}"$)
($12\frac{1}{2}" \times 12\frac{1}{2}"$)
($15\frac{3}{8}" \times 15\frac{3}{8}"$)

for each square, cut in half on the diagonal x 2 for 8 triangles.

Optional: Fabric H- to make outer corners for a square quilt.

Cut: 2 squares $4\frac{7}{8}" \times 4\frac{7}{8}"$

($20\frac{7}{8}" \times 20\frac{7}{8}"$)

for each square, cut in half on the diagonal x 1 for 4 corner triangles.

Backing

For the mini and the small, cut: 1 piece 18" x 18" (31" x 31") .

For the medium and the large- you will need to piece the back. Cut: 1 rectangle 40" x 55" and 2 rectangles 16" x 28" for the medium and 1 rectangle 40" x 67" and 1 rectangle 28" x 67" for the large. Piece together for a backing 55" x 55" for the medium and 67" x 67" for the large.

Binding

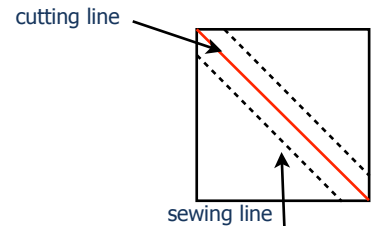

Cut: 2 (3) (6) (7) 2 ¼" x WOF strips- piece together for double fold binding.

(* For mini and small, you could cut strips 1 ½" for single fold binding.)

Half Square Triangle Units (HST)

Step 1

Layer a square of Fabric F with a square of Fabric G. Draw a diagonal line, corner to corner, on wrong side of Fabric F.

Option 1: If you are not sewing with a 1/4" foot, you can draw a sewing line 1/4" from each side of the draw line. (A 1/4" ruler makes it easy.)

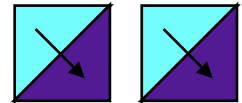

Option 2: If you are sewing with a 1/4" foot on your machine, you don't need to draw sewing lines.

Step 2

Sew 1/4" away from the diagonal line on both sides. Cut along the diagonal line.

You will have 2 HST units. Repeat to make 4 HSTs.

HST units should measure 2 ½" x 2½" (4 ½" x 4 ½") (8 ½" x 8 ½") (10 ½" x 10 ½").

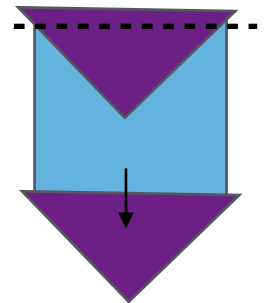

Center Square

Step 1

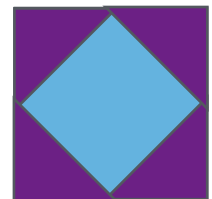

Sew a Fabric B triangle to one side of the Fabric A square. Match the center of the long side of the triangle with the center of the side of the square.

Sew another Fabric B triangle to the opposite side of the square.

Step 2

Repeat on the last two sides of the square. Center square should measure 4 ½" x 4 ½" (8 ½" x 8 ½") (16 ½" x 16 ½") (20 ½" x 20 ½").

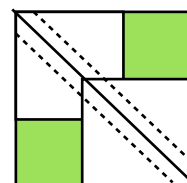

Flying Geese Units (FG)

Step 1

Layer a Fabric C square with 2 Fabric D squares as shown.

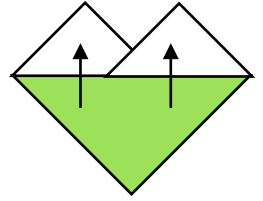

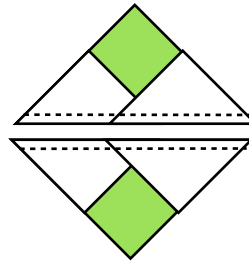

Draw a diagonal line corner to corner across the Fabric D squares.

Note: Fabric D is listed as navy, but the diagrams show white.

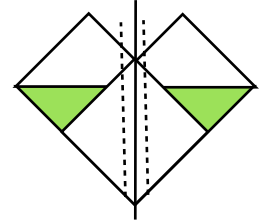

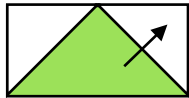

Step 2

Sew $\frac{1}{4}$ " away from the diagonal line on both sides.
Cut along the diagonal line. Press to small triangles.

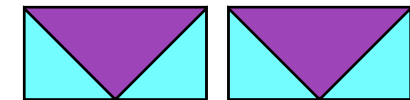

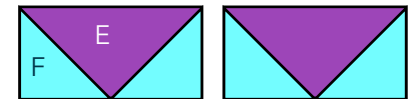

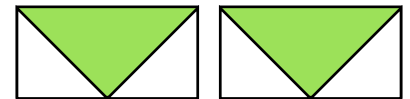

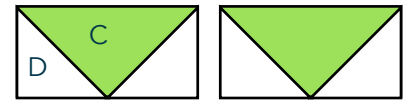

Step 3

Using one section, layer a Fabric D square as shown. Draw a line corner to corner on the Fabric D square. Sew $\frac{1}{4}$ " away from the line on both sides.
Cut along the line. Press to small triangles.

Step 4

Repeat with the second section. You will have 4 Flying Geese units.
Each FG unit should measure $2\frac{1}{2}$ " x $4\frac{1}{2}$ " ($4\frac{1}{2}$ " x $8\frac{1}{2}$ ")
($8\frac{1}{2}$ " x $16\frac{1}{2}$ ") ($10\frac{1}{2}$ " x $20\frac{1}{2}$ ").

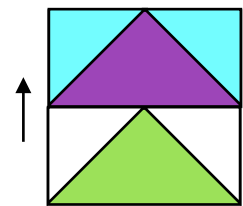

Repeat using the Fabric E square and 4 Fabric F squares.

Assemble the Quilt Top

Now that we have our units made, let's make a quilt. This quilt is really just one big block!

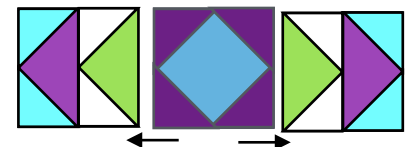

Step 1

Sew the two FG units together as shown. Make 4 FG sections.

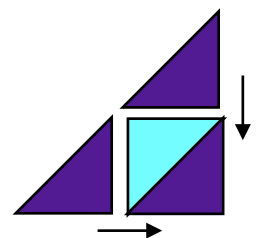

Step 2- Center Row

Sew a FG section to each side of the center square.
Make 1 center row.

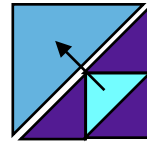

Step 3

Sew a Fabric G triangle to the top and left side of the HST unit.
Make 4 HST sections.

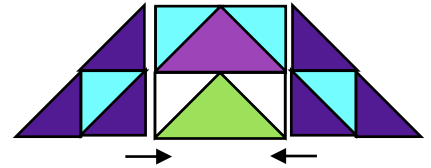

Step 4- Optional corners

To make the quilt square, sew the Fabric H triangles to the units from Step 3.

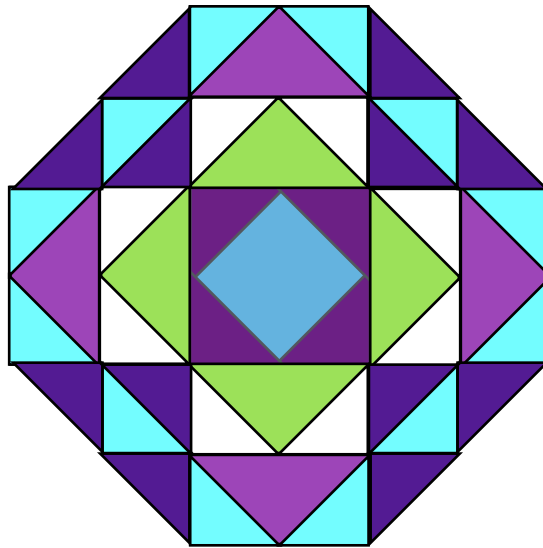

Step 5- Row 1 and 3

Sew a HST unit from Step 3 to either side of a FG unit from Step 1.
Make 2 rows.

Step 6

Sew the rows together.

Finishing

Now that you have your quilt top, the next step is to prepare your backing, layer with your batting, baste and quilt as desired.

Some people hate it when a pattern says quilt as desired, but really, this is when you can add your personal touch.

Binding and Labels

Once your quilt is quilted, it is time to add binding. If you need binding instructions, visit our website for a free tutorial. Don't forget to add a label to the back of your quilt so everyone knows who created this amazing quilt!

Thank you for purchasing our pattern **Medallion**. We hope you have as much fun making it as we did!
